

Figure 2 shows the D.D.P.A. perfin of Det Danske Petroleum A/S (The Danish Petroleum Co. Ltd.). Bergman states that he has the following new information from Henning Stokholm (Faroe Islands) and Stellan Swenson (Sweden): Valdemar Lützen A/S was an agent for this company and used its Perfin before obtaining their own.

Fig. 2

The D.D.P.A. Perin was in use at Thors-havn (Faroe Islands) 1928-35, and the V.L. Perfin of Valdemar Lutzen after 1935.
